Hi Betsy,

We lost our email for a few months, nobody could get a hold of us. Yes we are working in Sudbury, and the ride is 4 hours a day. I miss the Amherst Lab, but what can you do a couple of jerks messed it up for everybody. I am glad you found something, if they don't open a Lab in Western Mass soon I will be forced to retire, this is killing me. I hope everyone is OK. Good luck in your new job.

Jim

Hi Jim,

I finally found you in the global address list! I had looked for you a while back and couldn't seem to locate you. I just wanted to be in touch and say that I hope you, Sharon and Rebecca are doing well. I have heard that you are working in Sudbury and I hope that doesn't last for long, that must be a long commute.

I am back at work on the other side of the 3rd floor in Jamaica Plain in the CT Lab. It is painful to look over and see the drug lab in the dark. I miss my old job terribly but such is life. Shirley took a job downtown for EHHS and is doing well, I see her in court occasionally.

Hope all is well with you.

Betsy
